

CAPRI II

The Capri II is a decked double with a large ergonomic stern cockpit and a comfortable bow cockpit for the more petite paddler or four legged family friend. The captain based in the rear of this stable craft has optional gas pedal style rudder control and ample space for quality strokes with your paddling partner. This compact craft is simple to load on the car and: at just over 15', garage storage is simple. Features include gas pedal rudder control, bow deck pack net, bow lanyard, adjustable backbraces, ergonomic seats with water bottle holders and rear screw hatch with sealed bulkhead storage. The most affordable mix of performance and features for you and your two or four legged paddling partner.
