

EXCURSION

The Excursion is the pinnacle of tandem touring kayaks. This kayak offers incredible performance, unprecedented stability, comfort and many great features. At 17' this speedster comes with a trihedral hull that provides excellent tracking, low wind resistance and elegant carves. Designed with the first timer as well as advanced paddler in mind, this tandem kayak is the ultimate. Comfort without question: our ergonomic seats and adjustable backbraces ensure it. We have added an extra four inches to the cockpit making entering and exiting a breeze. Packed with amenities, including deck line for lashing points and two deck pack nets. Bow and stern hatches provide tremendous multi-day storage capacity; this kayak is function all the way. Molded cup holders in the seats allow instant access to your beverages. Made from our HTP plastic, the Excursion is the apex of stiffness and rigidity. What a package!
